INTRODUCTION

On Saturday 16th November 2019, the Independent National Electoral Commission (INEC) will conduct the Governorship election in Kogi State, the first major election since the conclusion of the 2019 General Election in Nigeria. In addition, re-run elections will be held in Kogi West Senatorial District by order of the election petition appeal tribunal. This publication provides basic information on the elections, including detailed delimitation statistics, the candidates and their political parties, the number of registered voters and Permanent Voters' Cards (PVCs) collected by Local Government Areas (LGAs) and Registration Areas (RAs). It is our earnest hope that stakeholders will find the publication useful as a further affirmation of the Commission's commitment to greater transparency and accountability in the management of Nigeria's electoral process.
